**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband competition for all!

The expansion of knowledge through modem, DSL, UVerse, broadband, 4G to what the future holds in store for generations to come cannot be stopped by avarice and greed today.

Competition is what brings on innovation and technical advances. The economics of supply and demand are forces of nature that are best with competition.
